SAP TECHNICAL CORE COMPETENCY CENTRE

WELCOME TO **OUR COMPANY**

Experts in Designing, Building, Managing and Optimizing SAP Technology Components based on SAP best practices and frame works. We combine our expertise to create value.

Our expert consultants will guide you through the process of resolving the current SAP Technical challenges and advice you on how to optimize and add value to the existing and future SAP Deployments.

What we do

With our SAP Technology Services, businesses can streamline their operations, optimize their supply chain management, and improve their customer engagement. We offer a full range of services i.e. implementation, upgrade, migration, customization and support to ensure that our clients can maximize the value of their SAP investment.

SAP S/4 Conversion

Technical conversion from SAP ERP to SAP S/4HANA and a database migration from the current database system to SAP HANA.

SAP BTP

SAP BTP empowers businesses with tools, services and analytics for seamless innovation, integration, and optimization

Cloud Migrations

Migration to Microsoft Azure, AWS and Google Cloud platforms.

Managed Services

Our basis & development services are built on the experience we gained over years.

SAP Development

Programming is an art, it needs to be architected by a experienced artist.

Technical Basis

SAP system installed with a well defined architecture on a reliable infrastructure is what you need.

OpenText

Provide expertise and guidance to help organizations maximize the value of their OpenText software investments.

Solution Manager /Cloud ALM configuration

Initial setup, CHARM, technical monitoring, DVM, custom code management configurations.

SAP Audit & Security Assessment

SAP Audit services help you identify potential risks and ensure compliance with regulatory requirements,

SAP GRC/Access Management

A photograph of three men in business attire shaking hands in a modern office environment. The man on the left is wearing a white thobe and ghutra. The man in the middle is wearing a blue suit and tie. The man on the right is wearing a dark suit and a patterned shirt. They are all smiling and looking at each other. The background shows a modern office with glass walls and a white ceiling.
